## **College Students Recognized for Voter Registration, Education, and Turnout Efforts After Record Student Voter Turnout in 2020**

*ALL IN Campus Democracy Challenge to honor 82 college students across the country for their nonpartisan voter registration and turnout efforts in 2021.*

**(Washington, DC)** Today, the [ALL IN Campus Democracy Challenge](#) announced the names of 82 college students who were selected for the [Student Voting Honor Roll](#). ALL IN's Student Voting Honor Roll recognizes college students at participating campuses who have gone above and beyond to advance nonpartisan student voter registration, education and turnout efforts, and to ensure equitable access to the polls.

The Student Voting Honor Roll is part of ALL IN's mission to encourage students to advance voting efforts on college and university campuses across the country. This year's nominees span 29 states and include a diverse group of students, including three HBCU students, 11 students at Minority-Serving Institutions, seven students at Hispanic-Serving Institutions, and five students at community colleges.

*"College student voter turnout has increased since 2016, and this increase has been driven by students. The ALL IN Campus Democracy Challenge is excited to expand our ALL IN Student Voting Honor Roll to recognize these student voting champions across the country," said **Jennifer Domagal-Goldman, Executive Director of the ALL IN Campus Democracy Challenge**. "These students registered students to vote, served on their campus voting coalitions, spearheaded voter education efforts, advocated for campus polling locations and organized other voter engagement efforts to ensure their peers were confident and informed voters. We are excited to see what they continue to accomplish ahead of the 2022 midterms."*

The ALL IN Campus Democracy Challenge empowers colleges and universities to achieve excellence in nonpartisan student democratic engagement. Campuses that join the ALL IN Campus Democracy Challenge complete a set of action items, with the support of ALL IN Challenge staff to institutionalize nonpartisan civic learning, political engagement and voter participation on their campus. The ALL IN Campus Democracy Challenge currently engages more than 9 million students from more than 870 institutions in all 50 states and the District of Columbia.
