## ALL IN with HSIs

Supporting Hispanic-Serving Institutions (HSIs) to achieve excellence in engaging students in nonpartisan civic engagement.

### WHAT IS ALL IN?

The ALL IN Campus Democracy Challenge is a national, nonpartisan initiative that supports and recognizes colleges and universities working to strengthen civic learning, voter participation, and ongoing engagement in our democracy. ALL IN encourages institutions to help students form the habits of active and informed citizenship, as well as institutionalize civic engagement activities and programs — making them a defining feature of campus life.

### HOW DOES IT WORK?

Your campus completes the steps below.

1

**Join** and make a commitment.

2

**Convene** a campus-wide working group.

3

**Develop** and implement an action plan.

4

**Share** Metrics with ALL IN

5

**Earn** recognition seals and win awards.

### WHY PARTICIPATE?

**1,000+**  
COLLEGES &  
UNIVERSITIES

**10M+**  
STUDENTS

**200+**  
HSIs

Together, we are cultivating generations of engaged citizens and community members who are essential to a healthy, representative democracy in particular by supporting low propensity voters. Campuses highly engaged in ALL IN had 2022 voter turnout rates that were 5 percentage points higher than less engaged campuses and Hispanic students at ALL IN campuses had voting rates 6 percentage points higher than their peers at non-ALL IN campuses.

## Join today.

Any accredited, degree-granting, post-secondary institution may join and there is no cost to participate.
