Campus Democracy Challenge

Empowering colleges and universities to achieve excellence in engaging students in our democracy.

WHAT IS ALL IN?

The ALL IN Campus Democracy Challenge is a national, nonpartisan initiative that supports and recognizes colleges and universities working to strengthen civic learning, voter participation, and ongoing engagement in our democracy. ALL IN encourages institutions to help students form the habits of active and informed citizenship, as well as institutionalize civic engagement activities and programs — making them a defining feature of campus life.

Together, we are cultivating generations of engaged citizens and community members who are essential to a healthy, representative democracy in particular by supporting low propensity voters. Campuses highly engaged in ALL IN have past voter turnout rates that were 4–6 percentage points higher than less engaged campuses, and they report more civic learning on campus.

Any accredited, degree-granting, post-secondary institution may join and there is no cost to participate.
