

## **Wheaton College (MA) ALL IN Campus Civic Action Plan**

Wheaton College (MA) is committed to developing global citizens prepared to lead in a complex world (Wheaton College Mission Statement). Multiple constituents on campus, including the Office of Service, Spirituality, and Social Responsibility, work to engage students in activities that will prepare them “to live purposeful lives, be engaged in their communities...and act effectively to promote change” (Wheaton College Vision 2014). In an effort to assist us in carrying out our vision, Wheaton created the #WheatonMAVotes campaign. This campaign encourages students to vote as engaged and informed democratic citizens through a series of programs designed to educate students from multiple perspectives in a non-partisan manner around some of the major issues during this important election season.

### **Constituents:**
