

**Carthage College
Get Out the Vote Team
Overview**

DRAFT For Consideration on 12/11/2019

Team Purpose

The Carthage Get Out the Vote Team is a collaborative group focused on the following efforts:

- centralized messaging related to voter registration
- centralized messaging and production of Carthage student voter identification cards
- voter participation promotion activities
- promotion/education of the Carthage College Political Campaign, Candidates and Events Policy
- voter education with a strong emphasis on midterm and presidential elections
- facilitation of the Carthage College midterm and presidential election polling location
- Complete the National Study of Learning, Voting and Engagement
<https://idhe.tufts.edu/nslve>
- Commit Carthage College to the All In Campus Democracy Challenge
<https://allinchallenge-civcnation.bsd.net/page/s/join-the-challenge>

Key offices/departments across campus provide support for many of the operational tasks for the polling location management and the voter identification card production which are required to have representation in order to maintain clear communication with those who do promotion and/or programming. Offices/departments and organizations involved in promotion and programming may vary but several are typically constants in such work and should be expected to serve on the team.
