

I'm a Democracy Champion!

I am trained in nonpartisan resources and practices to help you:

- Register to vote
- Find information about upcoming elections
- Be civically engaged in your community

For more information, check out go.unc.edu/VOTE

Democracy Champions at the University of North Carolina at Chapel Hill is a new initiative for 2026 that aims to provide students, faculty, and staff with nonpartisan resources and training to support campus civic engagement. Democracy Champions will go through an online Voter Registration training module, receive access to a nonpartisan resource hub, get connected to the Tar Heels Vote coalition, and be encouraged to explore ways to program or educate others on campus about how to get involved in their communities and share information about upcoming elections. Faculty and staff will receive the below placards to be easily identified in campus offices and spaces.
