Student Development Services

The Office for Community Engagement in Student Development Services gathered worked with different organizations and academic departments to promote voting at Texas Christian University. Organizations and professors were thought to be working with voting at TCU were sent an email message inquiring about their plans and desire to collaborate. Replies were received from several groups, including Ignite, Latino Student Organization and Student Government Association. The inquiry also revealed that a Social Work professor was using voting as the main project for her Service-Learning class. Another professor from Criminal Justice volunteered to register student to vote.

A listserv was created in order to get everyone who replied in communication with each other. A meeting was set up with a student leader from SGA to discuss strategies to promote registration and voting. Later he met with the Social Work class to determine how SGA could help with their efforts. Here are some of the things that took place recently:

SGA put yard signs out around campus in October. The theme is “red and blue makes purple” and the slogan, GO VOTE GO FROGS.

They have promoted all of the registration voting events on their social media accounts and sent SGA reps to help with volunteering if they were deputized.

SGA also put on a “Moter Voter Drive” on October 25th. They drove around in a big golf cart reminding people to submit their absentee ballots & to vote on November 6th

On November 6th, we will also be driving around in a big golf cart for a final push on voting.

Young Democrat Leaders sponsored a forum for students and so did the Latino Student Association/ IGNITE TCU (a non-partisan, nonprofit chapter that encourages political ambition in women) coordinated voting registration event on September 25th at the Founder's Statue, a central location on campus.

The dates for tabling for the Social Work class are below:
