

## TerpsVote FWS Program Assistants Interview Questions - Spring 2024

Interview Date:

Interviewer:

Candidate:

1. Tell us about yourself and why you are interested in this position.
2. After reviewing the position description, what skills do you possess that will allow you to be successful in this role?
3. Why do you think it is important for UMD to promote and increase student voting activity?
4. Describe your experience promoting programs, events, or organizations that utilized social media platforms.
5. Tell us about the strategies you use to manage a large project with many tasks.
6. How do you approach building partnerships or collaborating with others? Please provide specific examples.
7. A relatively large percentage of UMD students are registered to vote, but the percentage of students who vote in elections is significantly lower. Why do you think that is? What ideas do you have to address this?
8. What would you like to learn through this position?
9. What do you want us to know about you that is not on your resume? What is unique about you or something you are proud of?
10. Do you have any questions about our positions?
