

University of Nebraska at Omaha
ALL-IN Campus Challenge
Action Plan 2022

- 1. Promote efforts to encourage student voter registration and voting across campus.**
 - a. Utilize TurboVote and other online nonpartisan tools to promote student voter registration, provide information on state-specific voting deadlines, and other resources.
 - b. Provide spaces and support for student groups and outside nonpartisan organizations related to voter registration and voting.
 - c. Identify and implement campus strategies to encourage student voting, such as offering voter registration at campus events (e.g., orientation, New Student Convocation, and MavCard distribution).
 - d. Utilize campus facilities for pop-up voter registration and information booths and as distribution points for nonpartisan voter guides (e.g., League of Women Voters)
 - e. Support opportunities for faculty, staff, and students to become deputy registrars who can then work in teams to operate voter registration booths on campus.
 - f. Utilize Constitution Week as an opportunity to promote voting and political engagement.
- 2. Develop informed voters through curricula and co-curricular activities.**
 - a. Create a campus voter resource and political engagement website that faculty can provide on their syllabi (see additional information below).
 - b. Incorporate content related to voting and political engagement into courses (e.g., asking about current events, local politics, and community issues at the beginning of every class).
 - c. Require or encourage attendance at events related to political learning outside of class and across disciplines.
 - d. Support UNO Student Government and its civic engagement strategies.
 - e. Sponsor student events, workshops, and organizations related to political learning and engagement.
 - f. Convene, support, and sustain an inclusive coalition that supports political engagement.
 - i. Utilize the coalition to engage community partners and support student-driven ideas, projects, and events.
- 3. Offer training and workshops for faculty, staff, and students to assist in the facilitation of and participation in political discussion inside the classroom.**
 - a. Partner with existing community and university organizations to offer training and assistance.
- 4. Create and utilize a sustainable political engagement communication system and strategies**

- a. Develop a voter and political engagement website that includes:
 - i. Voting resources and links
 - ii. A calendar of key dates/campus and community events
 - iii. A listing of campus student organizations related to political engagement with contact information
 - b. Create a campus network of social media communicators to share nonpartisan voter information.
 - c. Share stories about student political and voter engagement through campus media.
- 5. Celebrate UNO as a place for civil dialogue on topics that are relevant to voters today**
- a. Host public events (debates, community forums, etc.) in campus facilities.
 - b. Promote these events through email lists, college event pages, and digital signage.
