

University of West Georgia

All In Challenge – Action Plan

Goals:

1. Increase student registration
2. Increase student voting
 - a. Make students aware of polling places
 - b. Encourage students to request an absentee ballot or change their address
 - c. Help students understand voting process and ballots
 - d. Reiterate that students must vote in polling locations due to differences in local elections

Actions:

- Kick off on Constitution Day
 - Provide voter registration and election information
 - Have computers set up to allow students to register and check their registration
- Host a voter education session that is required
- Coordinate with each of the “political” groups across campus
- Each of the political groups will host their own functions
 - NAACP: Weekly election information sessions
 - Young Students for Liberty (Libertarians): Host a forum for the Libertarian candidate for governor and for the US House democratic candidate
- Host an education session on the ballot initiatives
- Distribute voter information material to all students
 - Registration information
 - My GA Voter information
 - Posters on the importance of voting on each floor of residence halls.
- Use OrgSync postings and newsletter to encourage voting
- If elections go to runoff
 - Reiterate voter registration
 - Reiterate absentee ballots
 - Host voter information session
 - Provide reminders through OrgSync and posters in residence halls
